ISSA PULIRE

the international show

Exhibi
Numb

ISSA PULIRE is the international exhibition for professional cleaning and, above all, a community of professionals who share a passion for professional cleaning who work every day to keep the world clean and safe for everyone.

Exhibitors at the fair show off their capacity for innovation and demonstrate their state-of-the-art technologies to an interested and motivated audience in search of top quality products and services.

Attendees are cleaning contractors, facility management companies, distributors, and buyers from every corner of the globe, who come to the trade show to find out about and see first-hand the latest technologies in the world of professional cleaning and sanitization.

Meet up with partners and reach out to potential customers, build new international relationships, and develop new business in a highly professional setting of certified excellence. Being there makes all the difference!

ISSA PULIRE, supported by the industry and trade associations of the sector, **ISSA** and **AFIDAMP**, is an opportunity that you are not going to want to miss. It is where people come to expand their business expertise, discover new commercial partners, and keep up to speed with the latest trends.

Disinfestando Pavilion

The Disinfestando Pavilion is dedicated to the Pest Management sector.

The pavilion is the result of the agreement between the organizer of the trade show and the Italian company **Siner-gitech**, organizer of events and courses for the pest management and pest control sectors. The idea is to have all indoor and outdoor hygiene and cleaning professionals under one roof, thus providing more value to both exhibitors and visitors.
